

## 31 Days Before Your CCNA Exam: A day-by-day review guide for the CCNA 640-802 exam, 2nd Edition

31 Days Before your CCNA Exam, Second Edition, offers you a personable and practical way to understand the certification process, commit to taking the exam, and finish your preparation using a variety of Foundational and Supplemental study resources.

The book breaks down key exam topics into 31 daily review sessions using short summaries, lists, tables, examples, and graphics. A Study Resources section provides you with a quick reference for locating more in-depth treatment of a day's topics within the relevant Foundational and Supplemental resources.

Use this day-by-day guide to organize, prepare, and review all the CCNA® objectives. The features of the book empower you to fit exam preparation into an otherwise busy schedule:

- Tear out visual calendar summarizes each day's study topics
- Checklist highlights important tasks and deadlines leading up to your exam
- Description of the 640-802 CCNA exam organization and sign up process, includes how to use a voucher
- Strategies from the author help you to be mentally, organizationally, and physically prepared for exam day
- Conversational tone, making your study time more enjoyable
